NEXTGEN HEALTHCARE ANNOUNCES AGREEMENT TO ACQUIRE ENTRADA, INC.

Irvine, Calif. – April 12, 2017 – [NextGen Healthcare Information Systems, LLC](#), a wholly owned subsidiary of [Quality Systems, Inc.](#) (NASDAQ: QSII), announced today an agreement to acquire [Entrada, Inc.](#) (Entrada). The transaction is expected to close promptly upon the completion of customary closing conditions and will be settled in all cash with a value of approximately \$34M. In calendar year 2016, Entrada had revenue of approximately \$12 million and had a loss of approximately \$2 million. Quality Systems will provide additional transaction details at its upcoming May conference call to review results of its fiscal year 2017 fourth quarter and year ended March 31, 2017.

Based in Nashville, TN, Entrada is a leading provider of cloud-based solutions that are reshaping the way care is delivered by leveraging the power of mobile whenever and wherever care happens. Entrada's best-in-class mobile app integrates with multiple clinical platforms and all major EHRs. Because of its functionality and integration with clinical systems, it is a vital part of the daily clinical workflow for users. Entrada enables organizations to maximize their existing technology investments while simultaneously enhancing physician and staff productivity.

"Mobile health solutions – in the palm of the provider – are quickly becoming some of the most valuable real estate in healthcare," said Rusty Frantz, President and CEO of NextGen Healthcare. "We intend to invest in expanding Entrada's capabilities, continuing to provide enhancements to their already impressive platform. This acquisition will improve physician satisfaction by providing a better caregiver and patient experience, while enabling clients to improve financial outcomes."

"Entrada is focused on improving clinical workflows and creating opportunities for additional provider and patient engagement for the next generation of care delivery," noted Bill Brown, CEO of Entrada. "With NextGen Healthcare's resources, we can accelerate unlocking the productivity potential for caregivers, ultimately helping them gain time to focus on their patients."

The seller was represented by JEGI.
